## California Victor University currently offers the following programs:

Master of Business Administration (MBA, 48 semester credit hours)  
The Masters of Business Administration at our California Victor University is a two year program that is designed to introduce students to various branches of business such as accounting, human resources, marketing, management, strategy, and etc. Our MBA program is designed to help those develop their communication and oral skills so that they will be able to apply their skills in real-world competencies. MBA is usually interdisciplinary because it requires for the student to use their knowledge from fields other than business such as, psychology and sociology. Therefore, students who are willing to pursue their studies in MBA will require motivation and time commitment for successful course completion. The course of study provides a balanced approach to the art and science of management and informs the individual how to manage through given information. The employment opportunities for the graduates of this program include accountants, company managers, and finance analysts, and insurance specialists.

### Program Objectives

1. Ascertain biblical values and ethics in business.
2. Articulate the nature of domestic/global economics and markets.
3. Effectively communicate and work in team environments.
4. Articulate administration and management principles, strategies, and methods.
5. Demonstrate knowledge and skills of accounting and finance.
6. Understand and apply leadership theories and skills in business organization
